

JCB RA310

The powerful RA310's are built to RIS-1530-PLT Issue 6 and feature Rail-Ability RCI and integrated safety systems, including advanced ALO MLD, SMS Rail Data Logger Telematics, and a 69T trailer towing capability, as standard.

The machines are equipped with additional options, including Rail-Ability Dig to Depth operator assist features, and boast Pressurised Cab Dust Exclusion Systems.
